February 3, 2021

St. Louis, Missouri—CI Select, specializing in commercial furniture, flooring, workplace technology, signage and artwork, is proud to announce national certification as a Women's Business Enterprise (WBE) and as a Woman Owned Small Business (WOSB) Women's Business Enterprise National Council (WBENC).

"As a company, our brand promise is to design and deliver a workplace in harmony. It is also the way we run our business and contribute to the community at-large," said Claire Erker, CEO of CI Select.

"We believed that by pursuing formal certification through Women's Business Enterprise National Council, and the City of St. Louis Local Women Business Enterprise, it would serve as a unifying sign of our commitment to a diversity of people, ideas and perspectives while also bringing us into a community of other organizations with shared beliefs," Erker explained.

WBENC's national standard of certification is a meticulous process including an in-depth review of the business and site inspection. The certification process is designed to confirm the business is at least 51% owned, operated and controlled by a woman or women.
